Dear Resident:

Fox Searchlight Pictures is currently in pre-production for a feature film titled “Notorious”. A film inspired by the life and music of the Notorious B.I.G. aka Christopher Wallace. The story follows Christopher through his childhood in Brooklyn, his rise to fame, and his tragic end. It will be directed by George Tillman Jr. (Soul Food, Men of Honor). This drama will film in and around the New York City area this spring.

The Locations Department is currently scouting apartments to consider for our shoot. We are interested in ground up to 3rd Floor apartments only. We are scheduled for 5-6 days of filming in March-April 2008. We would most likely need to “dress” the apartment character-specific a day or two in advance of filming.

We feel your home has the characteristics that we are searching for and would like to photograph it as a possible choice for the shoot. If you are interested please contact the Locations Department at our offices or call me directly on my cell phone at 917-846-2859 to set up a scouting appointment.

If your home is selected for the shoot, you will be paid a location fee and issued all the proper insurance for on-location filming. Please note that we are working in conjunction with the Governor's Film Office, and the New York City Mayor's Office of Film, Theater, and Broadcasting and will obtain any necessary permits or permission for filming in the area.

Thank you for your consideration.
